

# \$FRTWTR Whitepaper v2

## Fart to Hydration on Solana | Organic Fair Launch Model

### 1. Executive Summary

\$FRTWTR is a satirical memecoin disguised as a premium hydration protocol. Built on Solana via pump.fun, it merges 2000s hip-hop nostalgia, crypto-degen mechanics, and community-driven parody utility.

While presented as a joke brand, \$FRTWTR operates with real DeFi discipline—transparent tokenomics, no-presale fairness, and community governance.

Tagline: Consult your hydration provider.

### 2. Mission & Vision

Mission: Hydrate the blockchain and deliver financial comedy disguised as liquidity events.

Vision: Build \$FRTWTR into a sustainable meme ecosystem across seasons, connecting on-chain storytelling, tokenomics, and real-world chaos.

Tone Rule: Funny on the surface. Technically sound underneath.
